DESCRIPTION OF RESEARCH PROJECT

The description should indicate the envisioned artistic form of the project, and which genre(s) will be worked in (i.e. performance, dance, theatre, music or a mix). Also, what theme and what particular (artistic) issues will be worked on at the Frankfurt LAB. **(max. 2000 characters)**.

Should it be necessary for presenting the research project or the artistic form, an additional PDF of a project description or exposé (max. 2 pages) may be entered.

MOTIVATION

Please record a motivational video (max. 3 min), in which you explain the current state of the project, your plans for the residency period and how a residency at the Frankfurt LAB would be meaningful for you and/or your project at this time. Also, we would appreciate information on your stage as an artist and the nature of the collaboration (in case of two applicants).
Please make sure that the video is accessible until the end of March 2027.
